

EVAPORATORS AND CONDENSERS

- Aluminum or copper tube evaporator coils for “frost-free” commercial and household refrigerator applications
- Easily adapted as a replacement unit or original equipment
- Aluminum coils can be provided with copper tips joined with Peerless’ patented “eutectic” joint or with a fluxless solder joint
- Our manufacturing facilities allow us to meet your needs, with a competitive lead time, whether you need one coil or ten thousand.
- Peerlite coating optional

Pattern	3/8” Plate Fin Staggered Tube	3/8” Plate Fin Inline Tube	3/8” Off Center	1/2” Plate Fin	5/8” Off Center
